MEMO ENDORSED

April 16, 2008

Honorable Denise L. Cote
United States District Judge
United States Courthouse
500 Pearl Street
New York, NY 10007

Re: Pascal v. Eli Lilly & Co., 1:08-CV-02040

Dear Judge Cote:

As counsel to defendant Eli Lilly and Company, we are requesting the upcoming conference scheduled for April 23, 2008 at 11:00 am be adjourned. This letter represents the first request for an adjournment of the conference.

This case involves allegations of personal injury due to plaintiff's use of the prescription medication Zyprexa. On April 14, 2004, the United States Judicial Panel on Multidistrict Litigation ("JPMDL") ordered that all Zyprexa cases filed in federal court would be consolidated and transferred to the Eastern District of New York to the Honorable Jack Weinstein. On April 9, 2008, this case was noticed as a potential tag-along action and the notice is attached to this correspondence. We anticipate that this case will be transferred to the MDL as a tag-along case in the near future, and as such, an initial scheduling conference at this time would be premature.

Respectfully,

Suzanne M. D'Amico

Granted.
